est confiteri ... Co. Illumina faciem tuam ... inuocauit te.

Septuagesima.

f. 2v      Dominica in Ix. Exurge quare obdormis ... ne repellas in//

Sexagesima.

Parchment. 2 folios. Fol. 1 measures ca. 160 x 203 mm; fol. 2 measures 152 x 203 mm (written space originally ca. 235 x 167 mm). 1 column. 19 lines remaining of original ca. 30. Ruled in ink; single vertical bounding lines. Prickings in upper and outer margins.

Written in gothic script (littera textualis). 2-line initials of major feasts (and 1-line initials of abbreviated feasts on fol. 2v) are in red uncials and are not set apart from the text. 1-line chant initials are brown highlighted with red. Rubrics are written in red in the same script as the text. Punctuation consists of the punctus. Hyphenation is in the same ink as the rubrics. Interlinear neumes in the St. Gall style.

These fragments were used as a pastedown (fol. 1) and flyleaf (fol. 2) in the binding of Lambach, Stiftsbibliothek, Ccl 337. The shelf number "337" is marked on fol. 2r; both leaves have the pencil notations "337P", probably made when the leaves were removed from the binding. The inscription "Sermones ..." is written on fol. 1r. In the margin of fol. 2 v, a thirteenth- or fourteenth century hand has written "[Hunc] librum comparauit [ ... ]us de Monte [Orate] pro eo."

The number "108" is written in pencil in a modern hand in the lower right corner of fol. 2r and the number "109" is in the lower right corner of fol. 1v.

Fol. 1 was formerly Zinniker 227; fol. 2 was Beinecke MS 482.93, Zinniker 46.
