Parchment (fols. 1v and 2r are stained and obscured by pieces of wood and leather from use in a binding). 2 folios. 205 x 142 mm (written space originally ca. 235 x 150 mm). 2 columns. 36 lines remaining of an original ca. 54 lines. Ruled in lead. Single vertical bounding lines.

Written in gothic script (*littera textualis*). Spaces are left within the text for 1-line initials but they have not been added. Other 1-line initials are in brown and are not set apart from the text. Punctuation consists of the punctus and is extremely rare. Hyphenation is in the same ink as the text.

A modern hand has written the number "3373" in pencil in the upper right corner of fol. 2v. Another modern hand has written the number "261" in green crayon in the lower margin of fol. 1r.

Both fragments were used as pastedowns in the binding of a volume measuring ca. 205 x 142 mm.

Zinniker 107-1 and 107-2.
